**AFFIRMATION IN SUPPORT OF MOTION TO RECONSIDER DENIAL OF
MOTION TO EXTEND TIME TO APPEAL DISMISSAL OF APPEAL (DOCKET #10)**

Appellant believes that the District Court has made clear errors and created manifest injustices. Had the District Court not made these clear errors or manifest injustices, the Court would have found differently, namely the District Court would have granted the reasonable request for more time to appeal.

As such we request that the court grant the motion to reconsider and any other relief that the court deems just and proper.

Sincerely,

Eric Richmond
